Messrs A. B. Bulens, & Clark,
& D. S. Anderson,

Gentlemen,

Your note of the 23d inst was duly received. - In reply to it I remark that it would give me pleasure to send you my Paper gratuitously if could I afford it. - It is sent to a good many Reading Rooms in almost every section of the country - & as I am unable to furnish, to all without charge I make it a uniform rule to charge all the advance terms $2,00 per year. - My gratuitous subscribers among foreign missionaries are so numerous - that I can not afford to increase the number by the addition of Reading Rooms.

Be assured, Gentlemen, that there is no Society in our country

that I would more cheerfully
furnish than yours – & that it
~~will be~~ is with reluctance that
I mark yours as a discontin
uance.

Very truly yrs &c
